

Did you know.....

A Reputable Breeder will take back a dog of their breeding at ANYTIME in it's life!

As well they don't allow their dogs to be casually bred!

Pet Stores do NOT

Puppy Mills do NOT

Back Yard Breeders do NOT

**Boycott stores that sell animals
ONLY support :**

rescues, shelters or a reputable breeder

Dogs are purchased in pet stores daily in BC and end up homeless, chained, starved, bred

Here are a few with their stories, IF these dogs were purchased from a reputable breeder they wouldn't have ended up homeless or abused.
